BEST MANNEQUINS

Tomorrow proof fashion displays

Be the change you wish to see in the world.

Eco-friendly and innovation are different names for this 'change'.

By using 100 % recyclable plastics in combination with sophisticated production techniques, the Oxford collection enables the next step towards this change. The busts are standard produced in pre-coloured plastic. However, there is always the possibility to paint the busts to the colour you like.

Our countless options easily fit almost every shop concept.

all prices are available on our website.

Feel free to contact us for more information.

Trade benefits at a glance

PREMIUM SERVICE

At Best Mannequins, you can count on a straightforward, personal and above all service-oriented approach.

LARGE STOCK

95% of the collections offered in our online shop are available in stock. So most products can be picked up or shipped immediately upon ordering.

3D CUSTOM-MADE DESIGN

Best Mannequins has its in-house 3D SCAN & PRINT studio. Our experienced 3D sculptor will be glad to transform your ideas into 3D visuals. Custom-made prototyping is now faster than ever before.

QUALITY AND RELIABILITY

At Best Mannequins there is a constant research for innovative and practical solutions which improve the functionality and durability of our products. We pioneer to offer you the most advanced fittings and best coatings on the market. Thanks to a rigorous quality control process, we achieve to guarantee you a consistent quality. Our sourcing knowhow allows us to produce at the most cost-efficient way so you can rely on us as a partner offering you the BEST quality/price ratio on the market.

GRAND SHOWROOM

Get inspired in our grand showroom of 1500m². This is where our collections are brought to life.

WORLDWIDE SHIPMENT

Wherever your business or project is located on the globe, our logistic experts make sure your orders are delivered smoothly and without delays.

EXCELLENT SERVICE

In our in-house workshop, we offer you quality refurbishment and repairs of display mannequins, forms and metal displays. For an affordable price, a professional respray service is offered.

SUSTAINABILITY

Best Mannequins is actively taking steps to implement innovative production solutions which reduce the impact on the environment and/or improve the working conditions in its factories. Instead of the conventional fiber reinforced polyester, we stimulate several more planet friendly raw materials such as bio-resin and recyclable plastics. Our showroom is carbon neutral and we are constantly working on more sustainable solutions such as our respray and repair service to boost the longevity of our products.
