

ABERDEEN

BEST MANNEQUINS

Made to fit your style

With the **ABERDEEN** collection, we are writing a brand new, exciting chapter in the world of displaying mannequins.

Inspiring your customers and fascinating them about the clothes displayed on the mannequins is our ultimate objective. Thanks to the revolutionary interchangeable feet, we make it possible to display elegant high end pumps with the lifted heel feet and the perfect sneaker display with the flat feet.

The casual male poses and cute children mannequins make the **ABERDEEN** collection complete. The stylized heads with subtle expression and unique white grey color are really brought to the fore front in this collection to match different clothing styles. The varied mix of family poses surprises and at the same time creates a well-considered and balanced collection.

For more information or customizations, do not hesitate to contact us.
