WISSLER MEANS SUSTAINABILITY

WE COMPENSATE APPROXIMATELY 20 KG CO₂ PER TREE AND YEAR.

20 CO₂

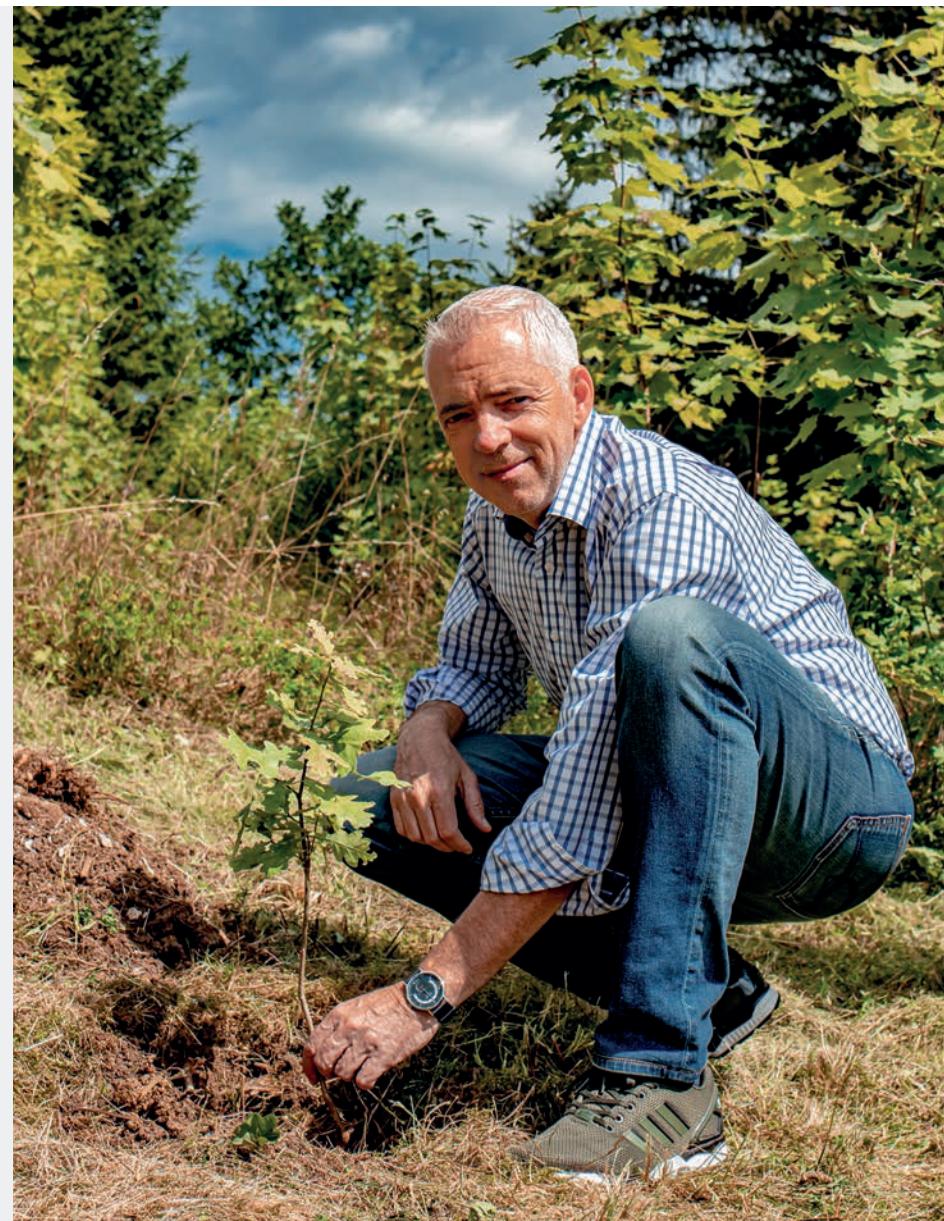

WE PLANT 1 TREE FOR EVERY ORDER.

Since 2022 we are partner of PLANT-MY-TREE. PLANT-MY-TREE have been carrying out projects of reforestation to compensate CO2 emissions throughout Germany since 2007. The aim is to protect the environment and the climate.

In addition to first projects of reforestation, PLANT-MY-TREE have been carrying out projects of forest conversion and forest protection and value with high biodiversity. Here, regional conditions are being considered and, if possible, mixed forests are being planted. This way, over decades a natural habitat for insects and animals will grow.

Sustainable tree plantings on mainly own areas as well as planned project runtimes of at least 99 years, during which no deforestation or economic use will take place, underline PLANT-MY-TREE's long-term goals of climate protection. Early 2020, PLANT-MY-TREE was successfully certified by TÜV Rheinland according to DIN ISO 9001:2015.

Together with many big and small partners, PLANT-MY-TREE, following the principles "every tree counts" and "climate protection is fun", contributes to the protection of the environment and climate in order to leave the next generation a liveable world.

For the love of nature: CEO, Claus Saumweber plants a small new oak.

EASY-TO-DRESS WOMAN

READY FOR TAKE OFF

The invisible tube system - which disappears in the back of the mannequin - is designed to present all kind of trousers.

Whether it's high waist jeans or dungarees – the fit of "Easy-to-dress" is perfect

ISF01

examples of use

„Easy-to-dress“ has a new standing system. A gas spring in the standpipe lifts the mannequin without effort. This offers dressing and undressing without taking the mannequin off the stand.

EASY-TO-DRESS MAN

The flexible Wissler Hand opens up completely new possibilities of presentation.

Every boot and shoe can be put on easily because of the mannequin's separable feet.

The mannequin can grab objects like ski poles, bags or tools in its hands.

IMPERIAL

Classy in black and textile

Imperial consequently follows the trend of the vintage-styles. The cover made of linen reminds one of tailor's bust and adds naturality to the mannequin. Combined with a silk-mat surface, the mannequin becomes an irresistible eyecatcher.

A touch of vintage combined with perfect fit guarantees a wide range of presentation of this extraordinary series.
