BEST MANNEQUINS

Lingerie is the secret, and the best-kept secrets are the ones that empower you from within.

Let us introduce you to the renewed Deauphine collection named: SECRET. Our creative team placed a strong emphasis on creating lifelike and seamless body contours, and thanks to our fruitful collaborations with renowned lingerie brands, we possess an in-house expertise that is second to none.

The poses chosen are designed to subtly draw attention to your products while providing the ideal canvas for showcasing multiple lingerie brands. The authentic body shapes and the gentle mix of bronze & gold colour palette with a metallic finish facilitate a strong sense of self-identification with the mannequins, thereby enhancing desire for the lingerie on display.

The meticulously crafted poses serve as a testament to the attitude and sensuality embodied by this collection. They empower your window display to make a truly distinctive statement and shine amidst the competitive landscape.

Perfect fit for
Lingerie...

Three cup sizes...

Given that window mannequins are constructed from rigid materials, our design team anticipated the need for a slight incline beneath the bust area. This thoughtful design element ensures that the bra's 'firm underwire' naturally aligns, resulting in an impeccable presentation of lingerie.
