# *Style and strength makes beauty*

---

The Strong collection is the visioning of what is seen as a stylish and trendy family. This timeless collection radiates trust and generates a feeling of connection.

The women are self-conscious and show a classical beauty with an underlying touch of attitude. The men can blend in an urban style and fit the casual classic dressing style. The strong children are playful, sometimes naughty but well educated and soon to be the new young adults of the next generation.

All of this makes the Strong collection unique and exceptional but also very recognisable.

They come in a standard colour taupe/grey which makes all colours in your collections stand out. The head is neutral and timeless, with a strong and decisive attitude.
